Dear Sir:

This is in response to the Office Action dated June 18, 2004. The Office Action sets forth a requirement for restriction between Group I – claims 21-32, drawn to a composition and Group II – claims 33-42 drawn to a method of treatment. Applicants elect, with traverse, to prosecute Group I –

claims 21-32. Applicants traverse the restriction requirement on the grounds that the subject matter of the required search is sufficiently small and closely related as to be capable of examination together.

If, for any reason, the Examiner feels that an interview would be helpful to resolve any issues, he is respectfully requested to contact the undersigned attorney at (312) 321-4229.

Respectfully submitted,

Dated: June 29, 2004 .
